

Take this kiss upon the brow!
And, in parting from you now,
Thus much let me avow -
You are not wrong, who deem
That my days have been a
dream;
Yet if hope has flown away
In a night, or in a day,
In a vision, or in none,
Is it therefore the less gone?
All that we see or seem
Is but a dream with-in a dream.

I stand amid the roar
Of a surf-tormented shore,
And I hold within my hand
Grains of the golden sand -
How few! Yet how they creep
Through my fingers to the deep,
While I weep - while I weep!
O God! can I not grasp
Them with a tighter clasp?
O God! can I not save
One from the pitiless wave?
Is all that we see or seem
But a dream within a dream?

Hornet Faithfuls Turn Out, Again

With the coming of the school year, cool weather, and heavy coats, another fall sports season begins at SHS. The school's athletes come out of their summer retirement, and the Hornet fans prepare their vocal chords for the coming games. Pep assemblies helped to play a role in reviving the summer-stored spirit.

Bonfire Fires Up Fans

From the fire's first spark to the finish of the Saturday night dance, the "'75" Homecoming was a spiritual success! The Sunday night before the game, the students turned out in numbers to await the announcement of their class representatives. Hopes of a Hornet victory built up throughout the week, but despite the support given to the team the Bulldogs pulled off a narrow win. The next night the Hornet faithfuls concluded the week's activities with a dance.

The Saline H.S. Band Triumphs at Marching Festival

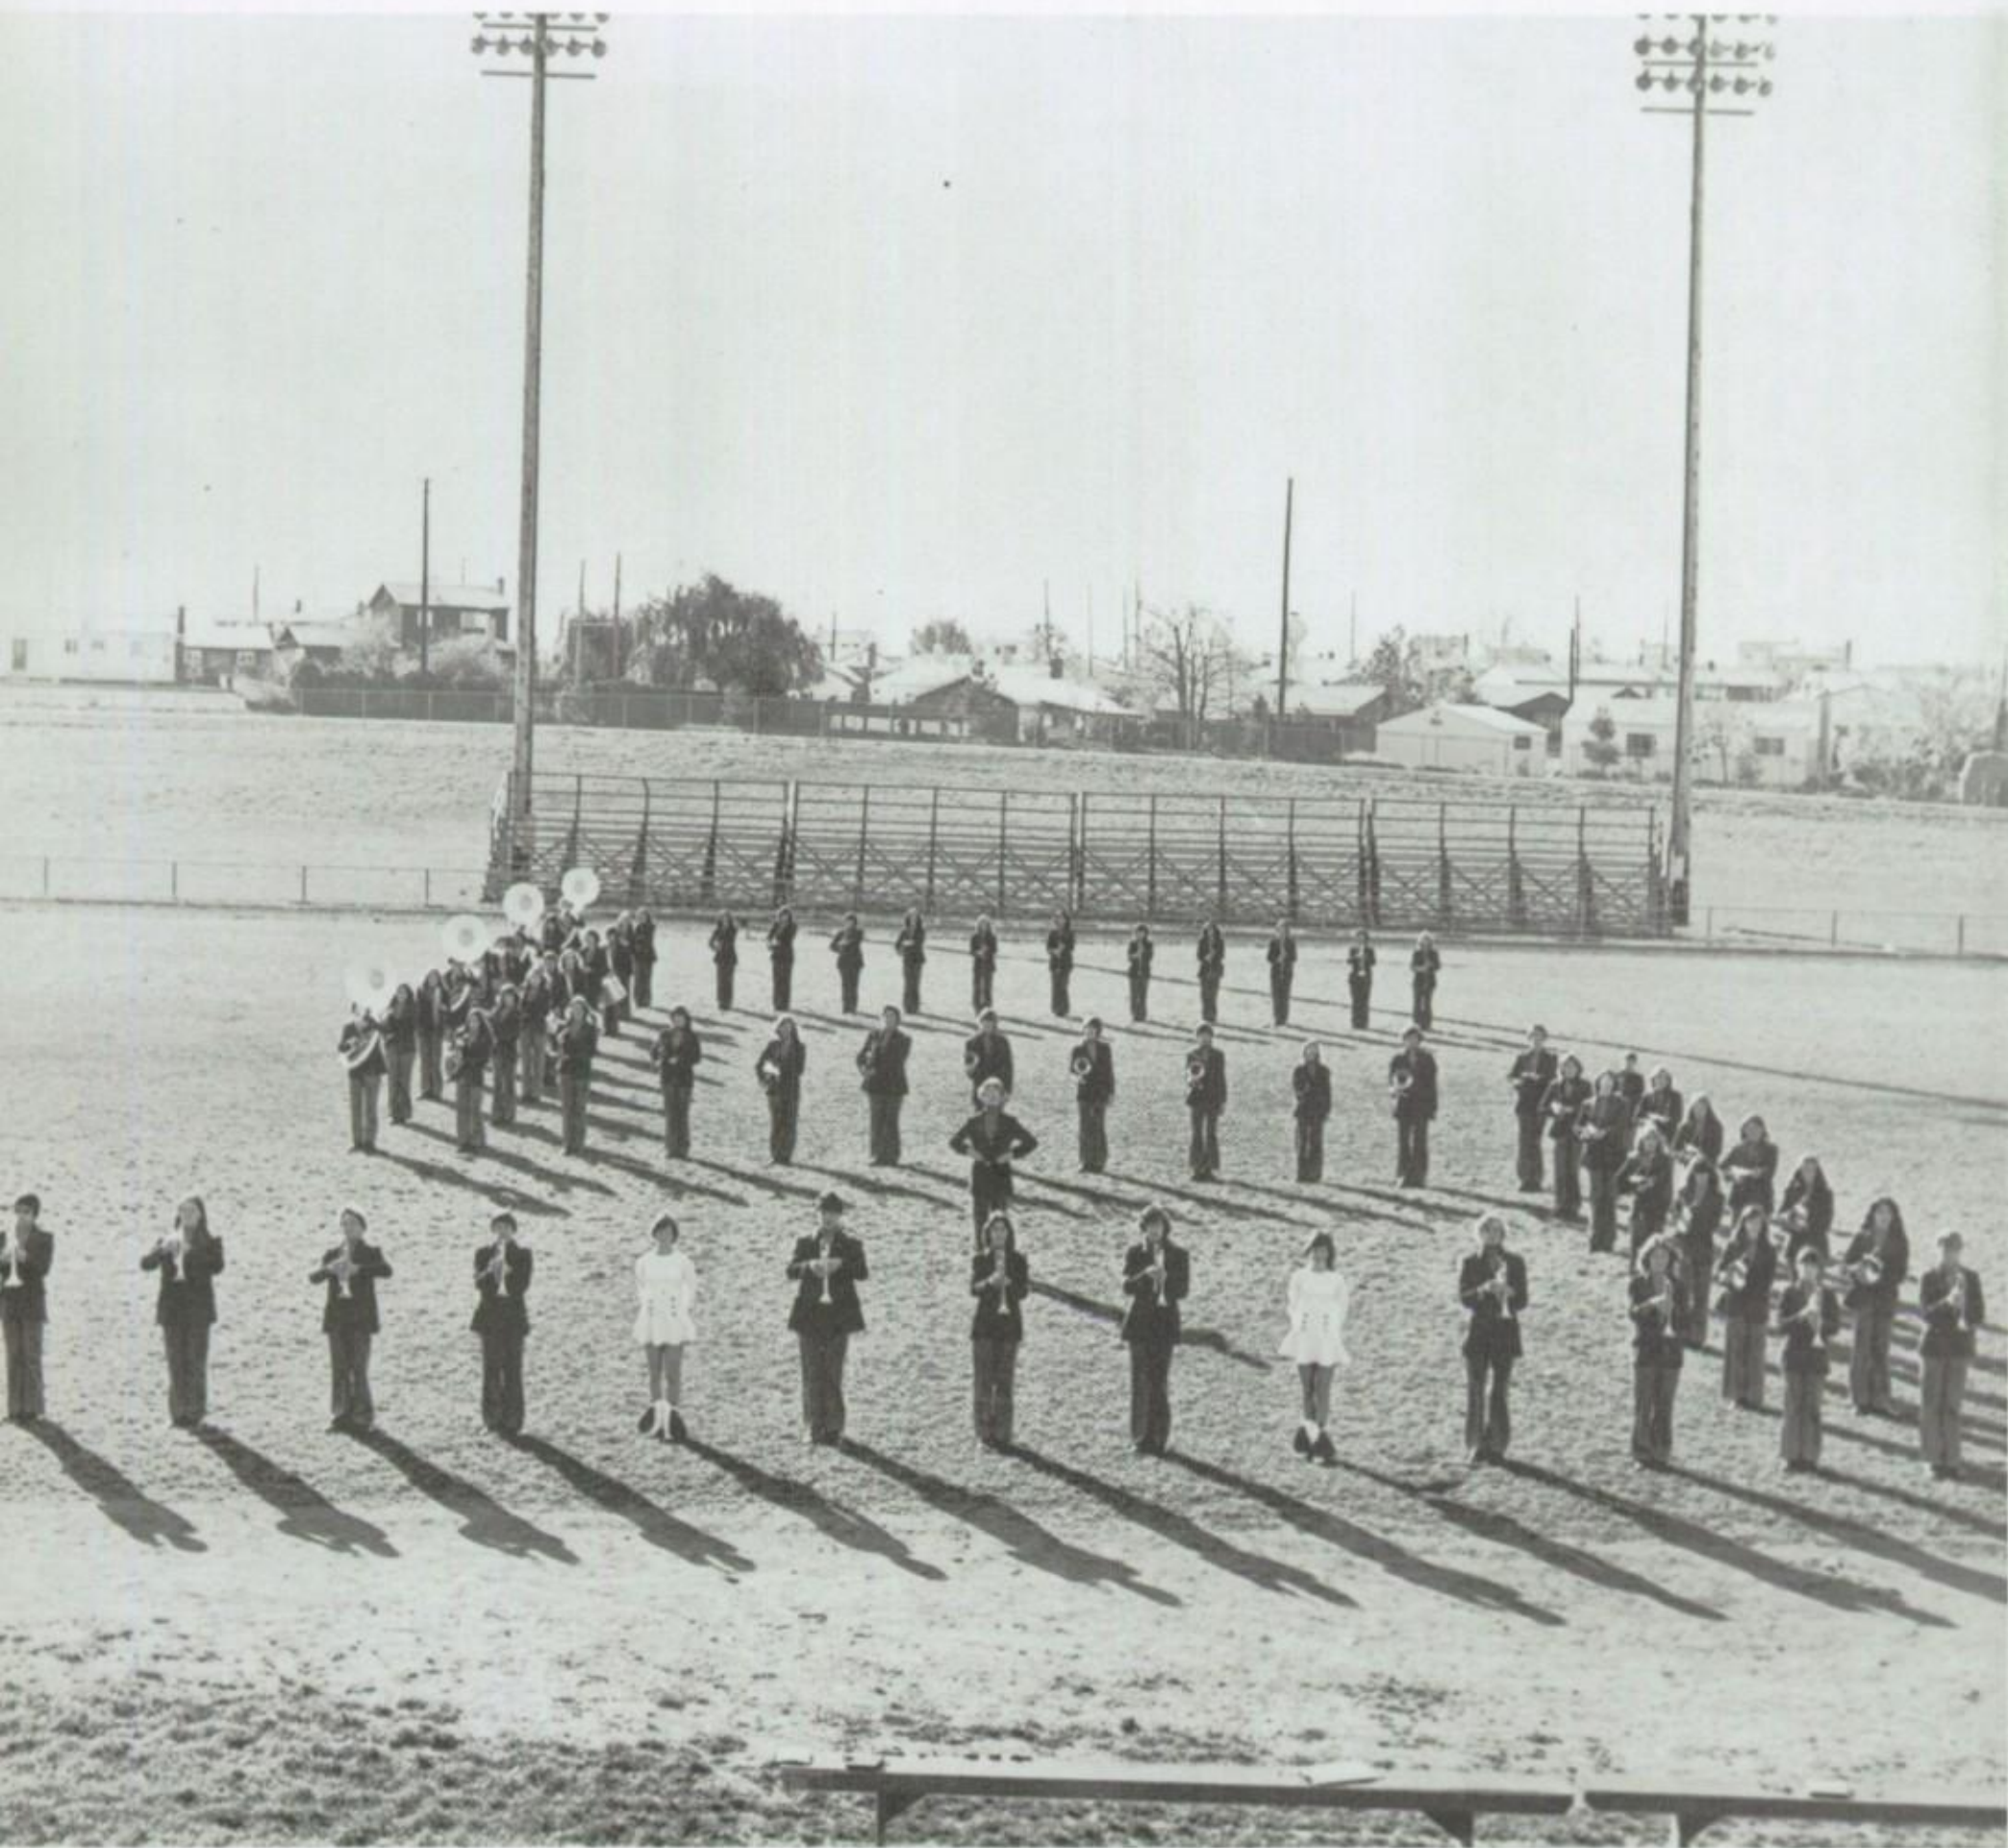

Under the field leadership of Drum Major Steve St. Clair, The Saline Sophomore, Junior, Senior Band captured the highest ranking at the District Marching Festival. There were eleven other bands participating at the festival held at Ypsi High School. This is the fifth year in a row that the band has achieved this high ranking. The show they took to the festival was based on television, which included the theme from Hogan's Heroes, Chico and the Man, and M*A*S*H. The band spent many mornings perfecting their show for a championship level performance. Some of the other shows were America's Bicentennial, Saints Around the World, and Beginners Front and Center, which was the theme for the Junior High Bandsmen.

The band also went to Albany, New York, this year. Featured on the tour was a visit to New York City. The band stayed with other bandsmen at Colonie Center High School in Albany. The two bands traded music and fellowship.

Top Middle: Drum Major Steve St. Clair shows the proper position of attention. Top Rt.: Craig Uphaus shows squad members Toby Proctor and Danny Martin the new drill. Bottom Lt.: Rick Janich's squad practices diligently during a rehearsal for the festival show.

Freshmen Band Leads Double Life

There are two things which make up a band year, Marching and Concert Band. The Freshmen Band, which meets at a separate time from the other band, is now a unit by itself. At Marching Festival held at Ypsi High School, they were one of the best bands in their division. Under the direction of Drum Major Chuck Cammet, the Freshmen completed a successful marching season. Their performance in concert band went as well. The band played music that was on a level with most other high schools in the area. Next year, they will go on to better things.

Lt. Pg.: The Freshmen Band in the block "S," part of their pre-game performance. Rt. Pg., Top Lt.: Band students assemble their instruments in preparation of the practice ahead. The Students Take Voice

The Student Council is heading up its year with an agenda full of activities. Dances, candy sales, Christmas Tea, ice cream social, and attending School Board meetings are all planned events. They also took care of the activity tickets. This year there was also an exchange program which existed with schools in our league. Side-lining their activities they are working for more recognition of non-athletic activities performed by students.

Let the Songs Ring Out!

As the Saline High Chorus swings into its second year as a full credit class, again is noted the stamina of a hard working team at work. But why the success of the chorus, not only in group singing, but in ensembles and as individuals in the school musical? Constant practice, of course! Every day, five days a week, they are busy practicing sixth hour, not mentioning the many practices which go on after school hours. Hats off to a hard working group.

Homecoming 1975

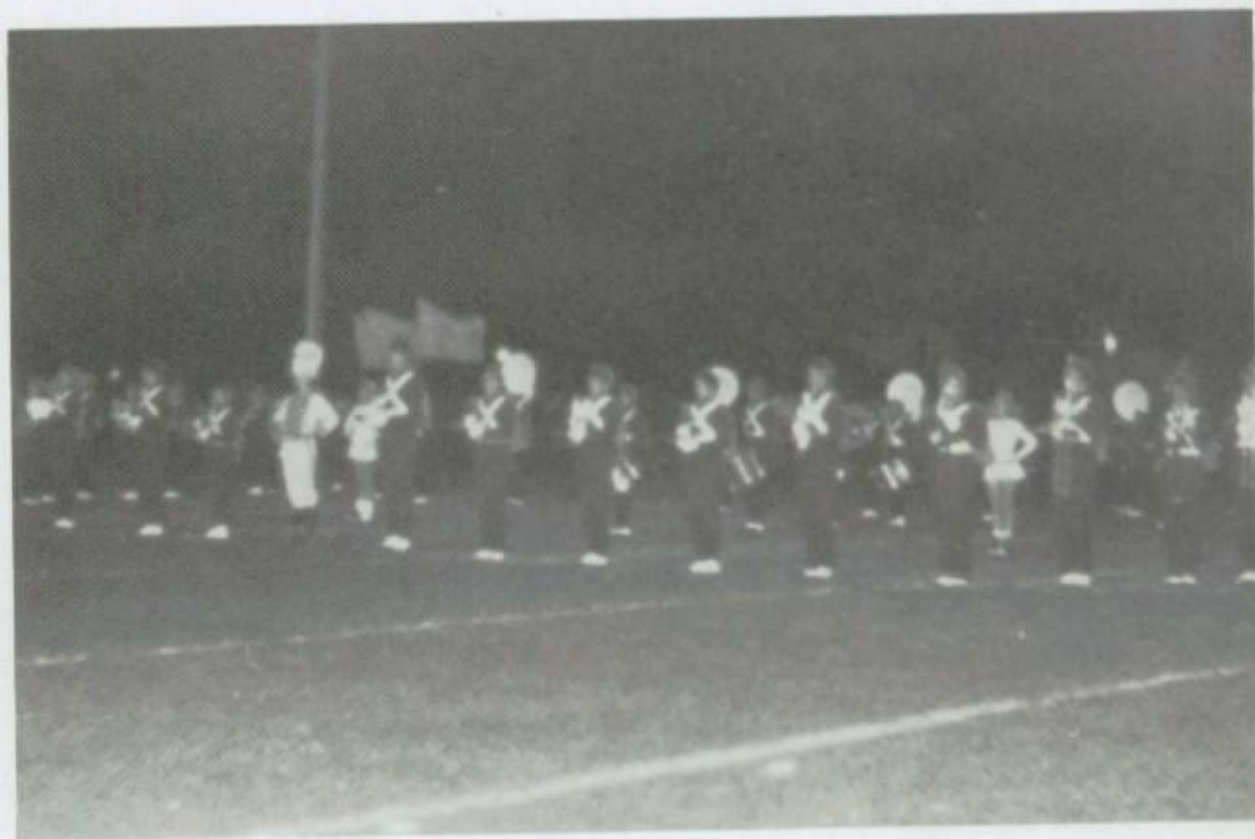

Agony, Ecstasy, and Comedy

The usual splash and color of a Saline Homecoming somewhat faded under brisk winds and damp air of October 17th. Things faltered; the Hornets couldn't pull off a victory, but the mood altered momentarily at halftime with the crowning of the 1975 Homecoming Queen. When the band played its fanfare and Vickie Looker was announced as Queen, thunderous applause prevailed as long as one can remember.

The 1975 Cross Country team was a young and rebuilding team that finished third in the league even though it was hampered by injuries. The young team worked hard throughout the year to face the challenges of their older and more experienced competition.

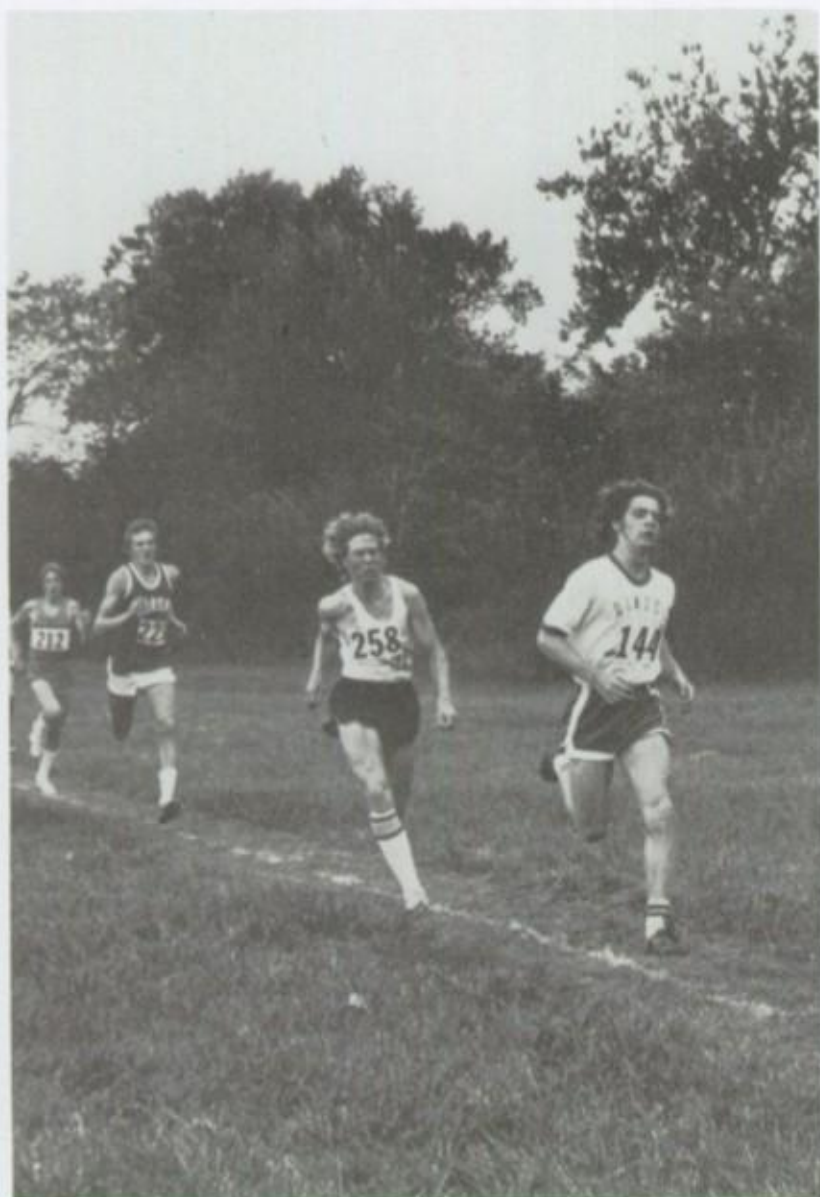

Don Miller and Doug Fett, both returning lettermen, turned in an outstanding performance in the Brighton meet setting a new track record for all Saline Cross Country runners. Don and Doug also qualified for state this year, only the second and third Saline runners to ever do so.

The Cross Country teams season highpoint was their hard fought third place finish in the league meet at the Ann Arbor Pioneer Course.

The Varsity Football team started off the 1975 season strong, winning four of their first five games; however, the Hornets settled for a disappointing fourth place in the S.E.C., after losing their last three conference games.

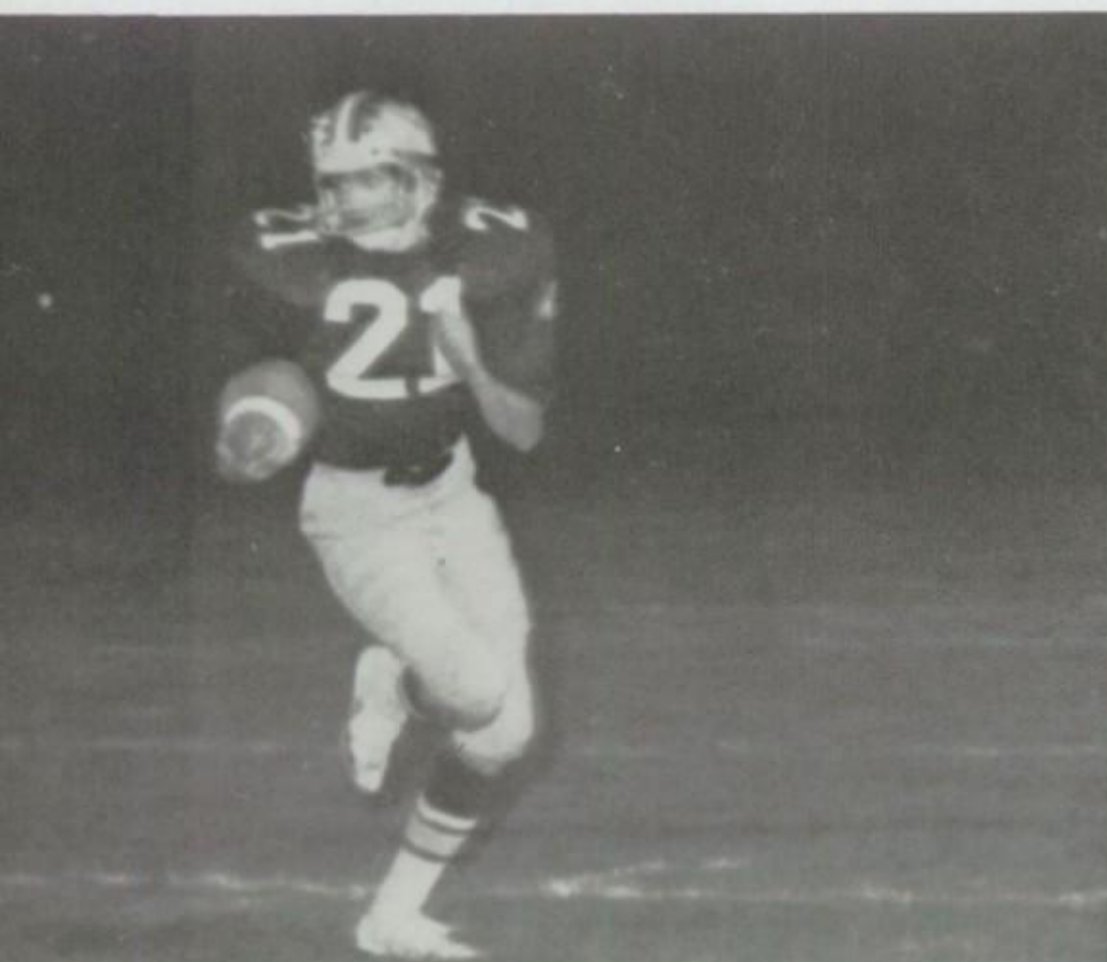

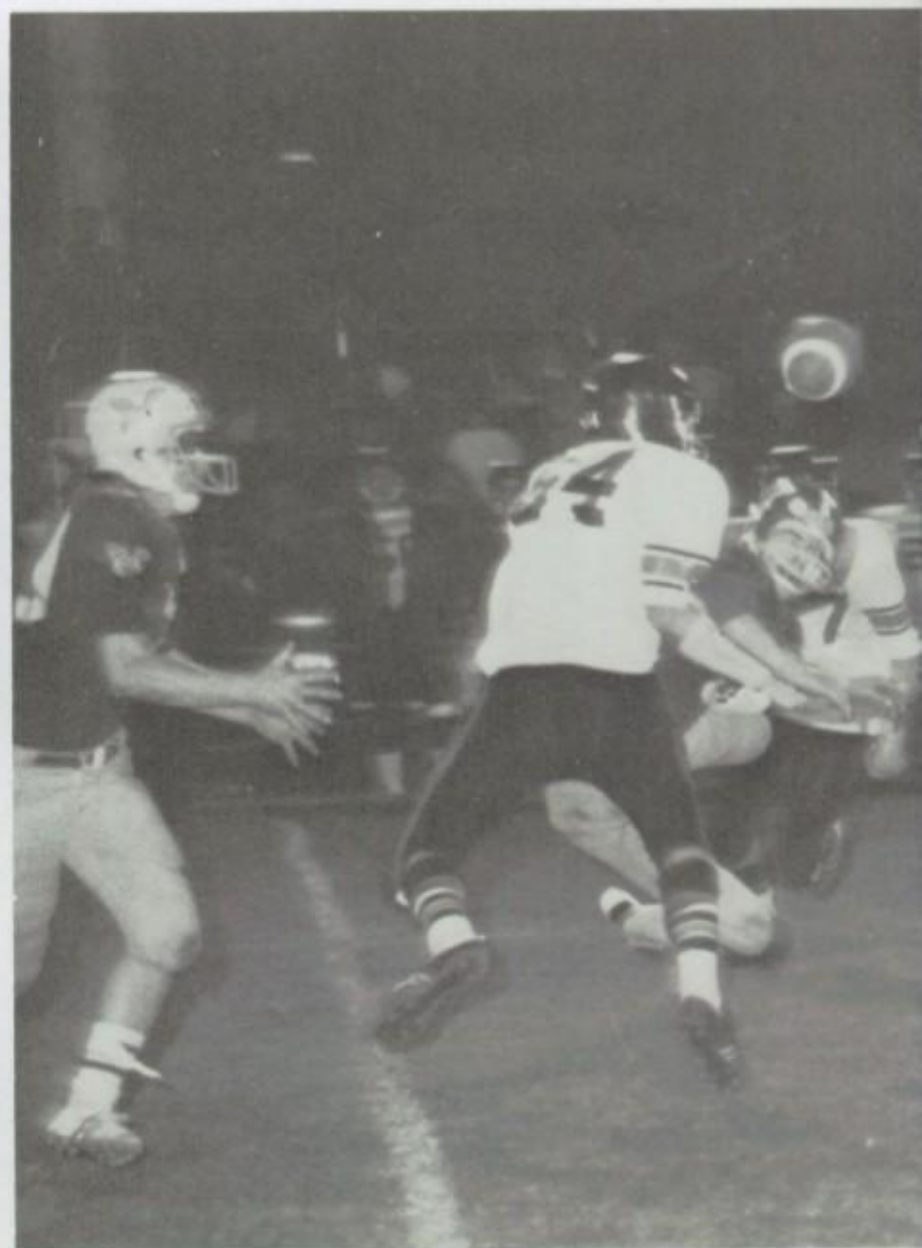

Gene Robinson and Rick Stemm led the team on offense gaining 518 and 503 yards respectively. Scott Guenther and Jim Haeussler led the defensive unit with 129 tackles and 138 assists between them.

The turning point of the season seemed to be the Homecoming game against Brighton. Saline had a heartbreaking 8-6 loss to the Bulldogs that dropped them to a low point that they were never able to recover from.

Key Efforts Lead Varsity

The football team was led by many outstanding individual efforts in numerous aspects of every game. The Hornets passed, punted, and ran determinably, but a few mistakes cost them some close games and dropped them to a 5-4 overall record.

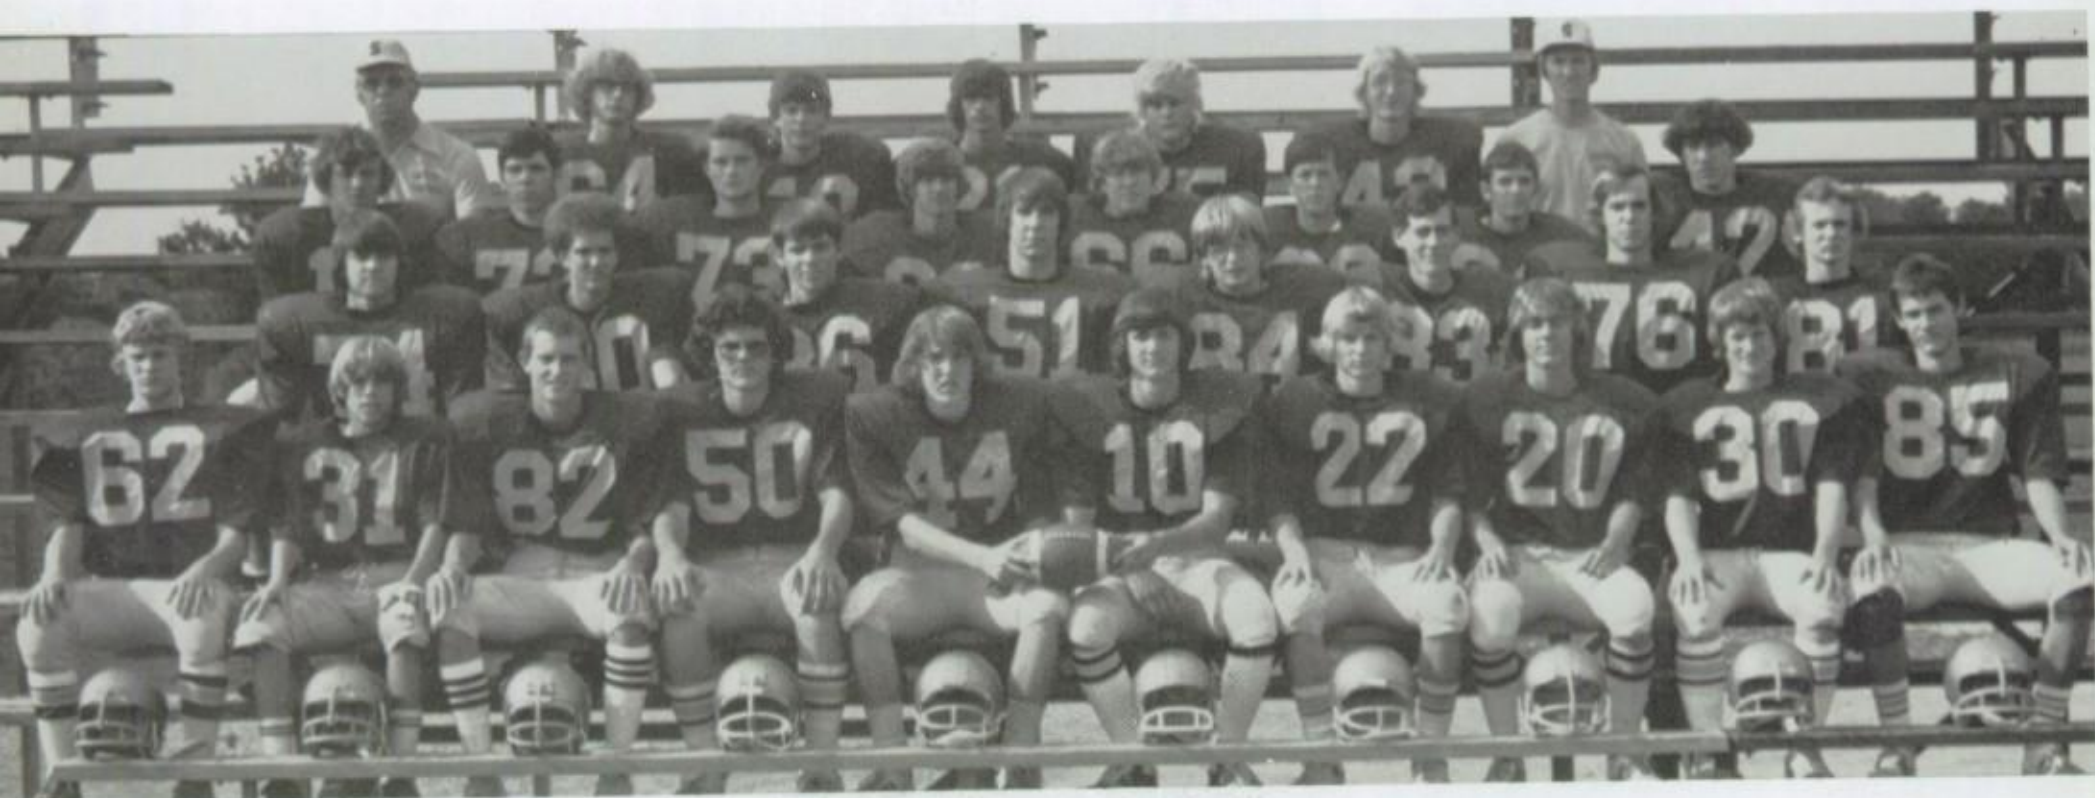

The Hornet offensive unit was led by Steve Monty and Dave Fosdick at quarterback along with G. Robinson's and Rick Stemm's running. Dave Fosdick also did the punting for Saline while Gene Robinson kicked the extra points. The Hornet linemen, led by Tim Tobias, were also credited with many contributions to the total Saline Football effort.

The football season was a success for the Saline J.V.'s. They won three straight games in the middle of the season. In these games they scored 68 points holding their opponents to 12 points.

They started the season with a victory over Dundee, switching to the wishbone offense because of their fast backfield. It proved to be a good move as they posted a 5-3 record. The main disappointment was their last outing of the season against Chelsea when they lost a heartbreaker by one point. Time had expired when Chelsea went for the two point conversion and scored.

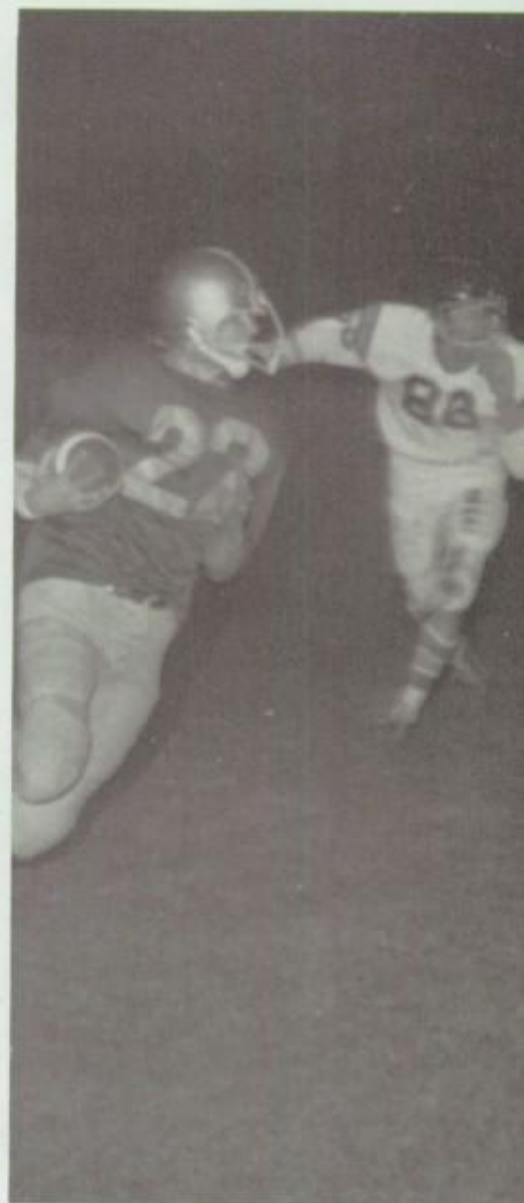

Bob Faïman sparked the offense with his running and passing at the quarterback position. Greg Shafer, Rick Wagner, and Ned Kraushaar shared the halfback position consistently breaking tackles for long runs.

Faïman was also the field goal kicker, and he kicked a field goal at Milan which was 32 yards long.

This year the Freshmen team, under their new coach Wes Gall, and a new offense which proved to be a good one, posted a record of 3-1-1, scoring a total of 105 points in the five games they played.

The offense was sparked by the one-two combination of Jeff Conrad, quarterback, and Mike Prindle, receiver. They brought the team from behind many times with touchdown passes. Chuck Fosdick, a defensive end, and Chuck Cammet, a linebacker, sparked the defensive unit with many tackles and sacks of the quarterback.

The highlight of the Freshmen season was a 26-6 victory over Lincoln. Saline's defense allowed Lincoln to score 6 points, though Lincoln was previously averaging 40 points a game.

The Hornet golfers were led by Senior Mike Jenkins with an average match score of 43. He was followed closely by Freshman Mark Gensheimer with a 44.5 average. Adding to this dual effort was Sophomore Joe Chase's fine 44.9 match average.

"Rebuilding" was a word that characterized the up and down Hornet Golf Team in their 1975 Fall Season. Young players paced the squad at many times in SEC league play.

Mike Jenkins, a senior, led the team with his poise and consistent play, but "young" was the general team characteristic. Freshman Mark Gensheimer and Sophomore Joe Chase sparked the team effort while Junior Chris Johnston's

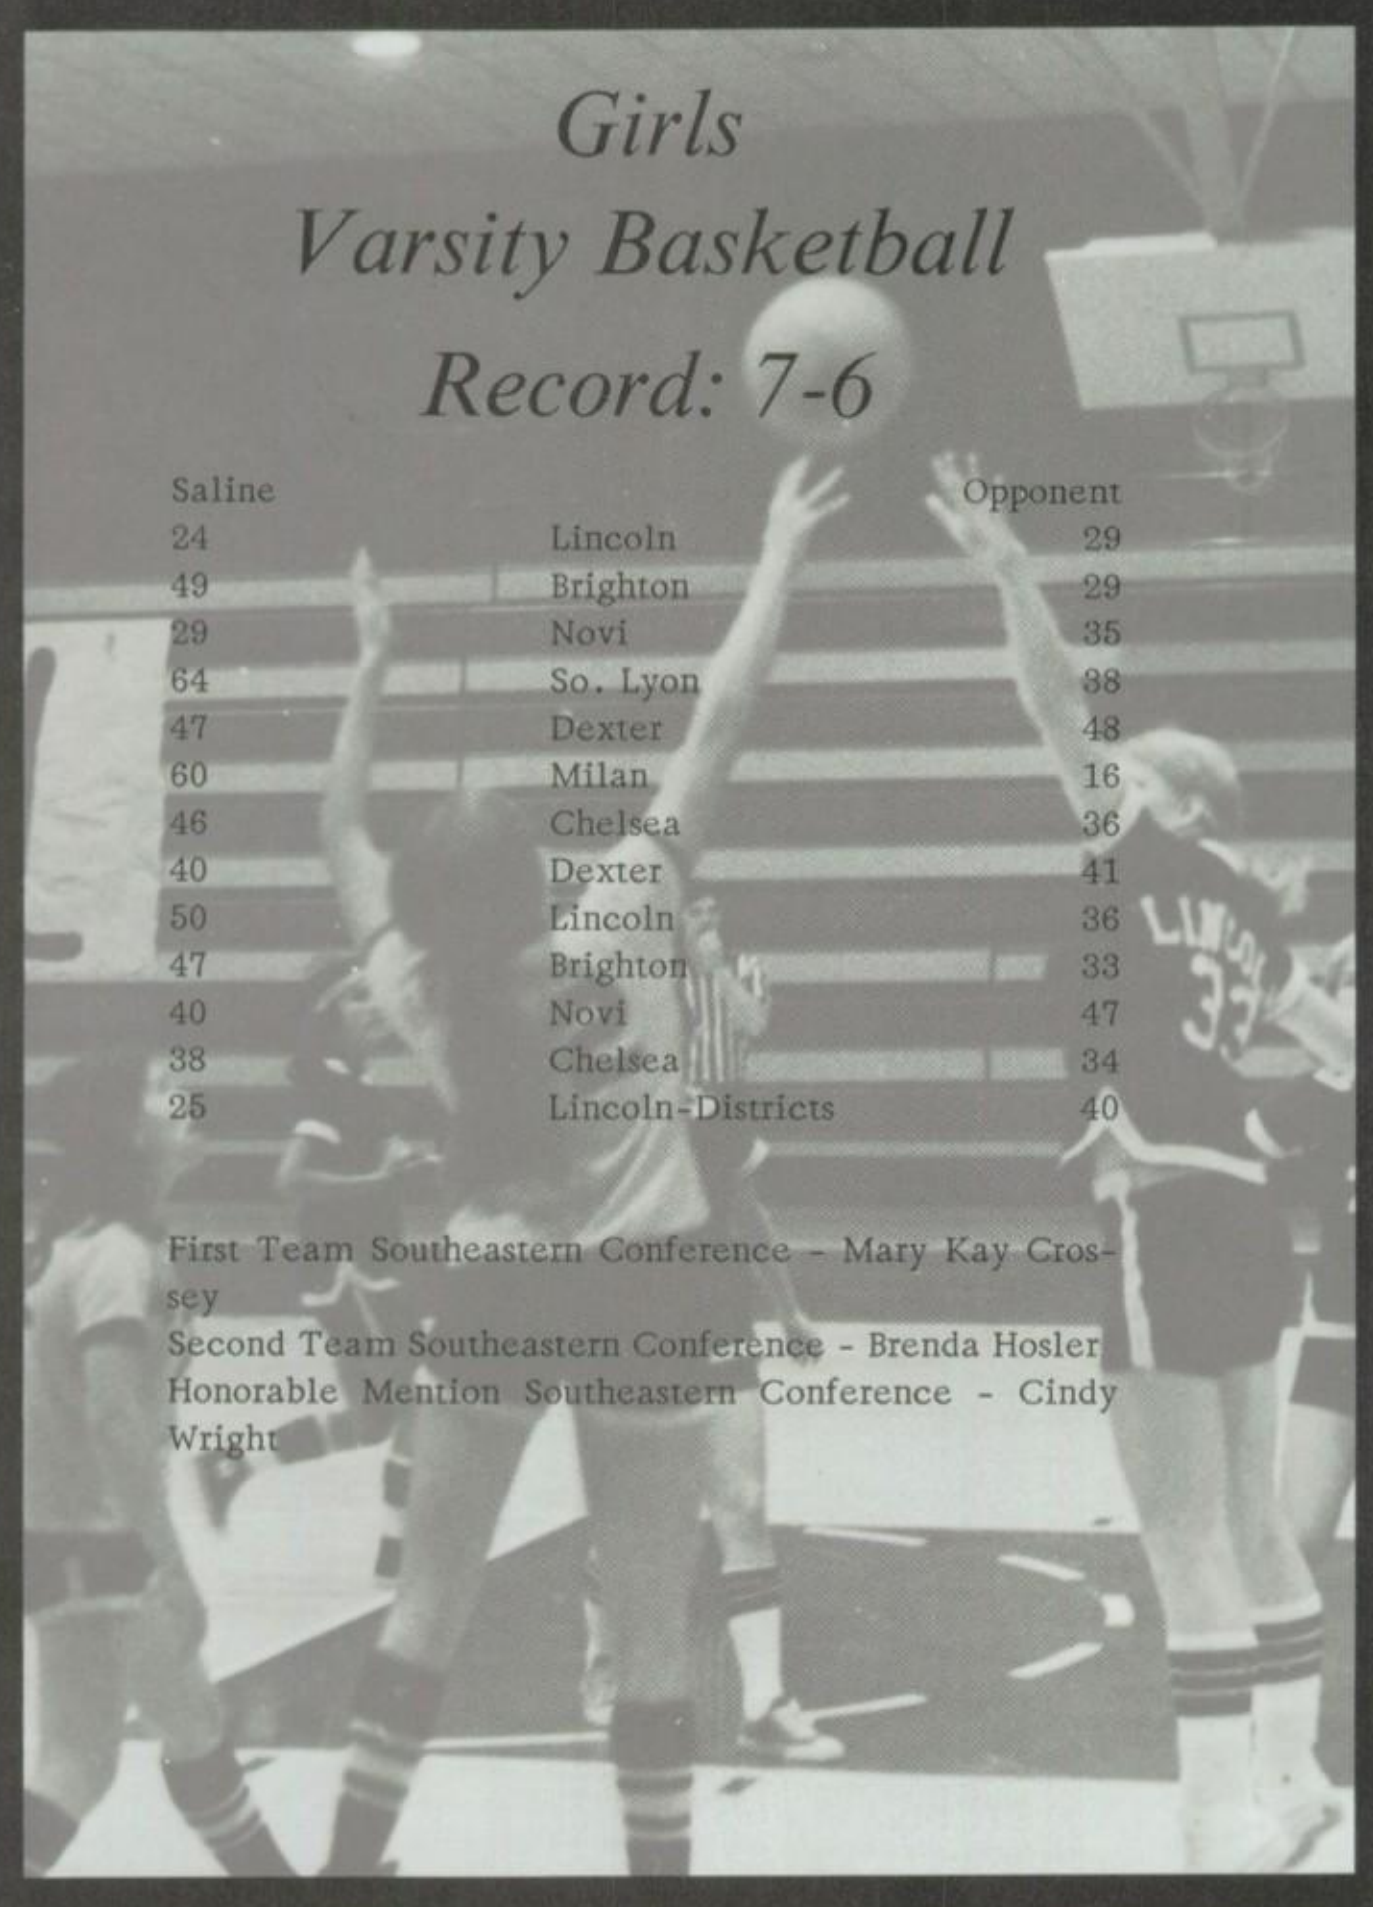

45.0 average added the edge that enabled the team to achieve the success they did.

Lack of experience was the thorn in their side this season, but next fall, Saline's Golf Team will have the 1975 Season as a base on which to build a solid and bright future.

First Team Southeastern Conference - Mary Kay Crossey

Second Team Southeastern Conference - Brenda Hosler

Honorable Mention Southeastern Conference - Cindy Wright

The Girls Varsity Basketball Team, under their new coach, Mrs. Smith, finished fourth in the league with a 7-6 record, a tremendous improvement from last year's 0-12 record.

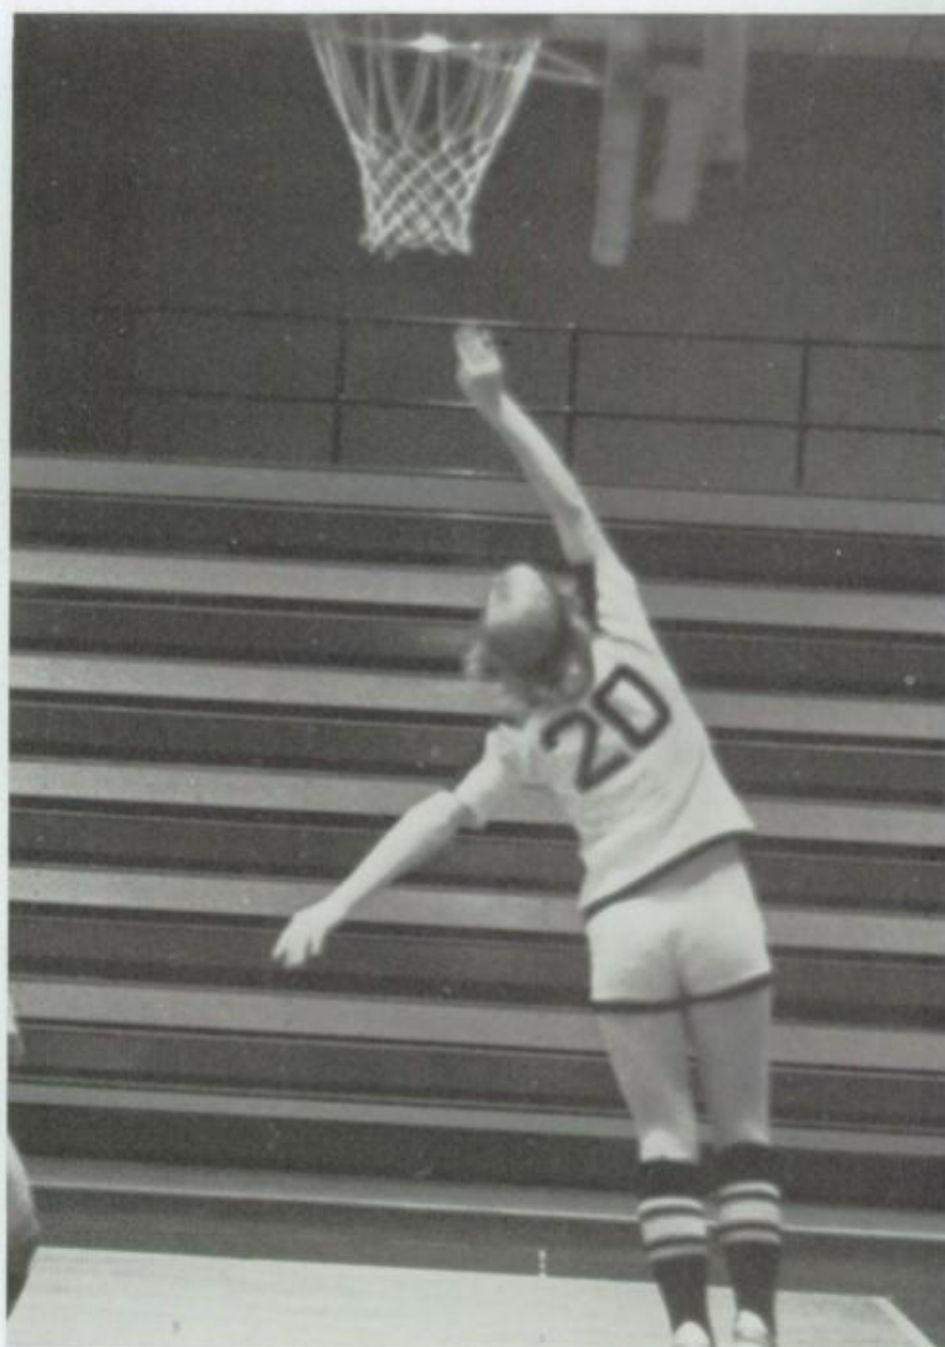

This team had an extraordinary ability to improve throughout the season, as in the case of their win over the league champion Lincoln Railsplitters 50-36, which started a four game win skein at the end of the season.

The outstanding players on this year's team were Mary Kay Crossey, Brenda Hosler, and Cindy Wright. Mary Kay led the team in rebounds with 135 total and received First Team All League. Brenda was the leading scorer with 110 points and made Second Team All League. Cindy was third in scoring and second in rebounds and she was an Honorable Mention member of the Southeastern Conference All League Team.

Basics Are Key to Fine Season

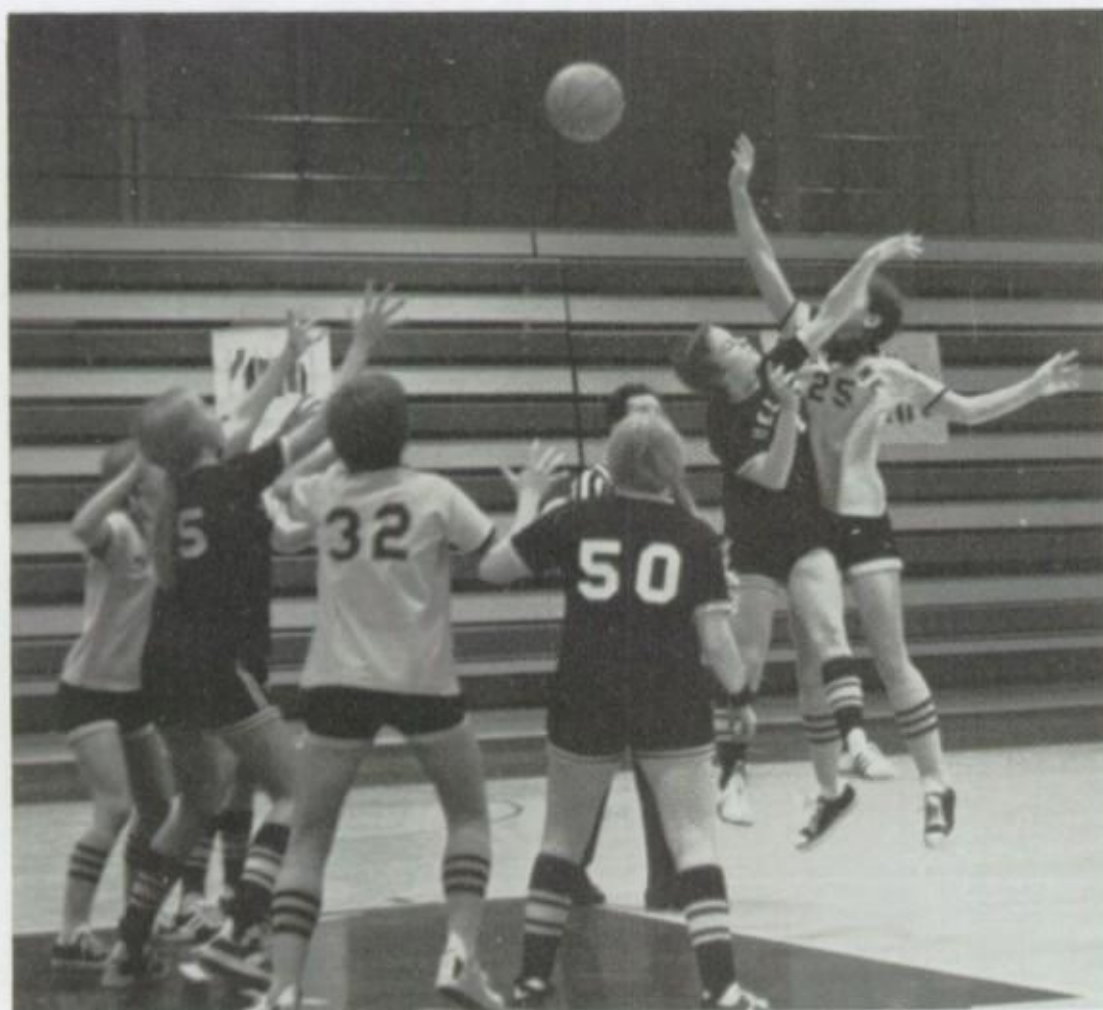

Fundamentals were the key to the success of this year's girls 7-6 basketball season.

Layups and foul shots were two of the key basics which the team worked hard on. These concepts helped pull them through many a close game.

Page, Top Lt.: C. Wright goes in for an easy layup while her teammates look on. Top Rt.: L. Lauterwasser warms up against Chelsea. Bottom Lt.: P. Ziegler makes a layup while J. Hart looks on. Under their new coach, Mrs. Brown, the Girls Junior Varsity Cagers had a disappointing season.

This team had the unfortunate trademark of losing the close game they lost to Brighton by one in their first meeting and by two the second time around. They also lost to Chelsea by four and Lincoln by five. The losses had one consolation: the girls gained experience.

The team was led by Alicia Jahnke, Karen Delhey, and Debbie Jenkins. Alicia and Karen dominated the boards while Debbie ran the offense.

Almost and oh, so close, said much about the 1975-76 Saline Basketball Team. It was a rough season for the Hornets this year, but they still managed a fine 17-4 record. Near wins and heartbreaking defeats against Milan and Lincoln were all that prevented the Hornets from taking at least a share of the S.E.C. The blow that ended the season was perhaps the worst of all, though; Saline's grievous one point loss to New Boston Huron ended the seasons of almos on a bitter note.

Many fine individual efforts helped the Hornets to their 17-4. Tom Mitchell and Steve Monty led the team with 137 and 152 rebounds respectively. While Dave Fosdick and Craig Kivi paced the Basketball Team in free throws with 49 and 44.

Even with the fine individual efforts on the part of many team members, they were unable to pull them together in four games. This happened in what was probably the turning point of the season. In the Lincoln game, Saline dropped sports contest that broke the wave they had been riding since the first Milan game. After that the basketball team was never to reach that crest again.

With four returning lettermen starting, and a strong bench for back-up, the 1976 Hornet Basketball team came through with a fine 16-3 record. The Hornets were aided by many good performances from the bench time and again throughout the season. With many outstanding efforts from the starters this was all the basketball team needed for the winning edge in all but three games; Saline saw its hopes for a SEC title collapse in heartbreaking losses to Milan and Lincoln.

Except for these losses Saline had the individual statistics it takes to win. Tom Mitchell, all SEC forward, led the team with 209 points, followed by

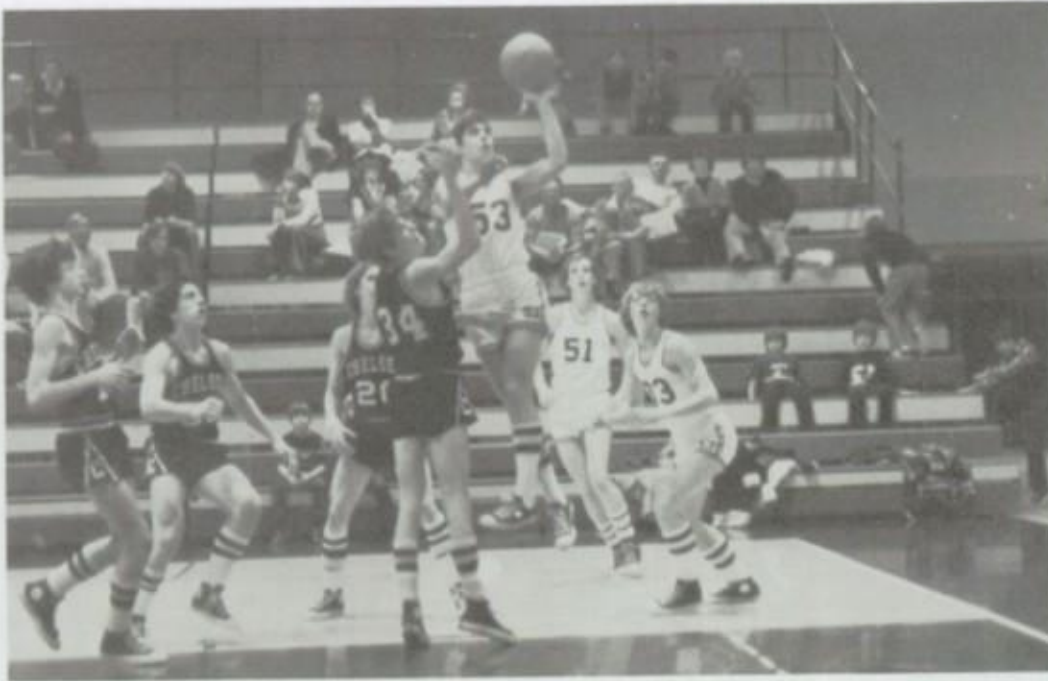

Craig Kivi with 180. First place in the assist column went to Craig Kivi with 61 followed closely by Dave Slagenwhite. With a 16-3 record to show the Saline High Basketball Team finished second in what proved to be a tough Southeastern Conference.

This year the Junior Varsity Basketball team posted an impressive 15-3 record. The team was led by captains Greg Shafer and Tony Corona.

They started the season by winning two in a row. After that they went into a losing skein dropping three straight games. They then began playing together as a team, as they showed in their next performance against Brighton, they scored 77 points while passing for 27 assists. This was followed by a game with Lincoln in which they scored 97 points, a new J.V. record. They rounded off the 75-76 campaign winning 13 straight games.

The J.V.'s were led in their victory efforts by veteran mentor Ken Sippell and his emphasis on "team" play.

This year the Freshmen Basketball team recorded a 11-3 record. Coach Marcero stresses defense and hustle so at every game you could see his team scraping for the ball. The team constantly improved throughout the season; they won 6 of their last 7 games losing only to a tough Brighton team.

A balanced scoring attack characterized the young Hornets. Four players, M. James (10.4) S. Steiner (9.1) S. Castleberry (8.9) and S. Raham (7.6) led the offensive attack. S. Steiner led the team in rebounding with 110, while M. James led the team in recoveries with 50.

The envy of all Saline's fall and winter sport teams, The wrestlers were the only group to walk away with the league crown. Sporting a 6-1 season mark the wrestling team was full of determination and pride. Often fighting injuries and their waist lines the wrestling team gutted it all the way and came out victorious. For the first time in Saline wrestling history they had a league trophy to show for their efforts in a league where they were predicted to finish well down in the standings.

It is obvious in a sport as individual as wrestling that to finish first you need great individual effort and that's just what the Hornet grapplers had. With Chris Johnston at 98 lbs., Randy Ebersberger at 126 lbs. and Jim Haeussler at 185 lbs., all state qualifiers, it is easy to see why Saline claimed number one status in the wrestling department.

The high point for all the wrestlers though, had to be the league meet win that allowed them to clinch the number one spot in the conference.

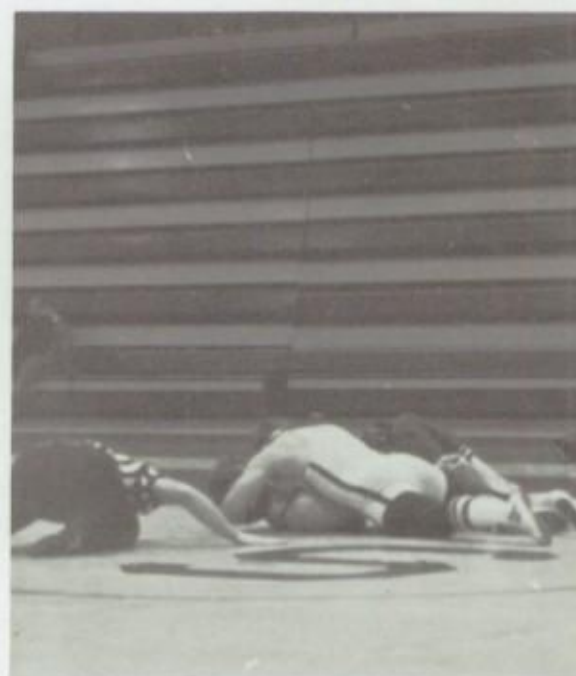

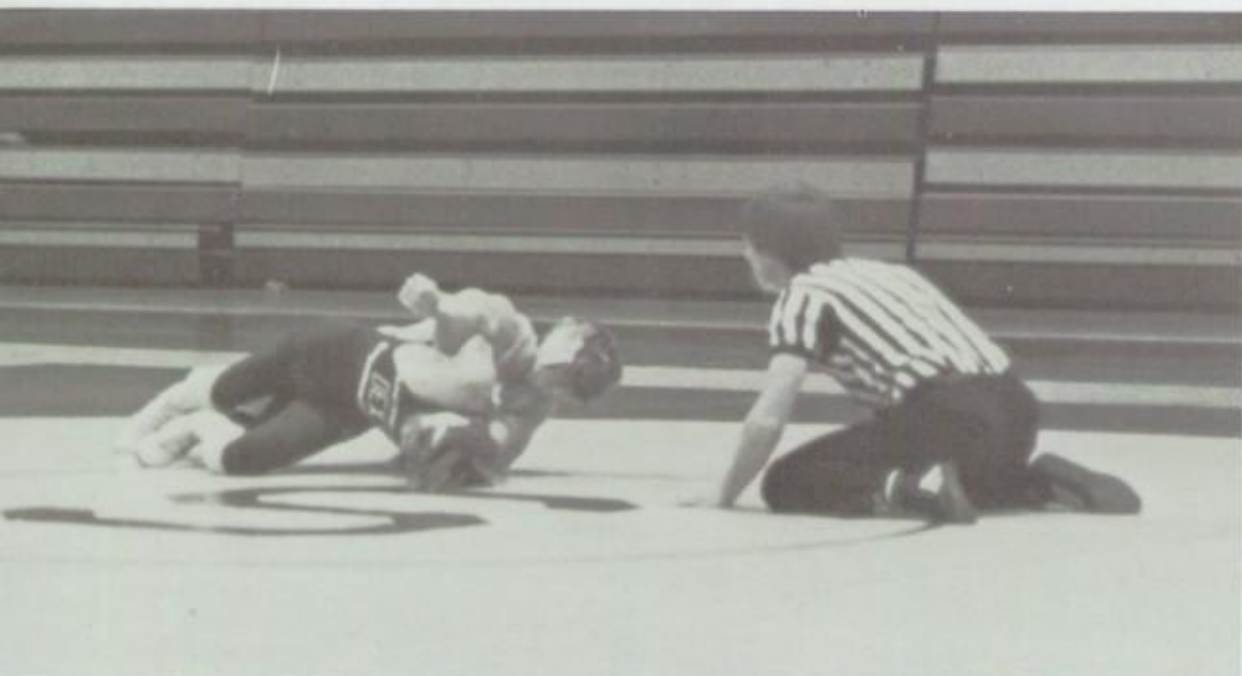

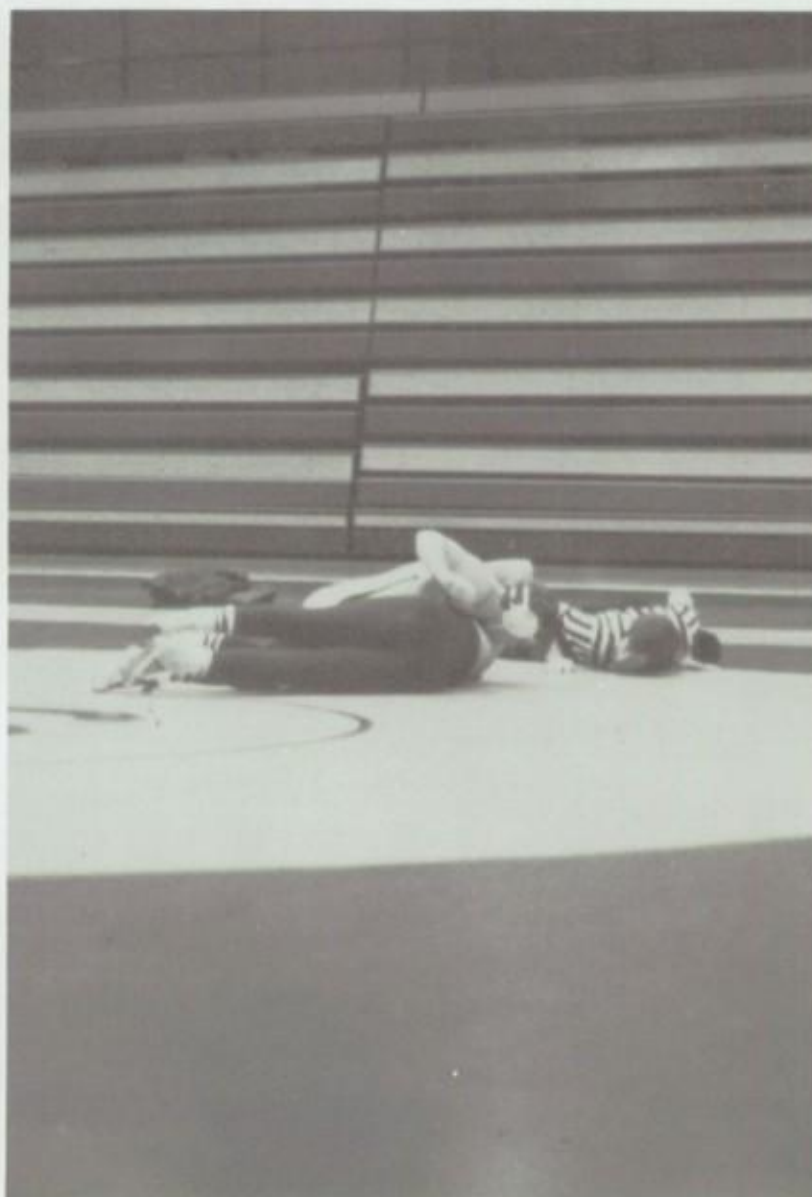

Determination, Pride Tell Story

Bottom Lt: Randy Ebersberger, another state qualifier, turns his man over in the Dexter meet. Bottom Rt: Scott Guenther moves for a pin.

Determination and pride tell the story best about Salines wrestling team. Pride was never forgetting to be a winner, and determination was fighting to make weight and trying to overcome injuries. Through it all the Saline wrestling team always managed to pull out a win with a good fight.

It all paid off when Saline claimed sole rights to the league crown and finished the 8-1 season on a very sweet note.

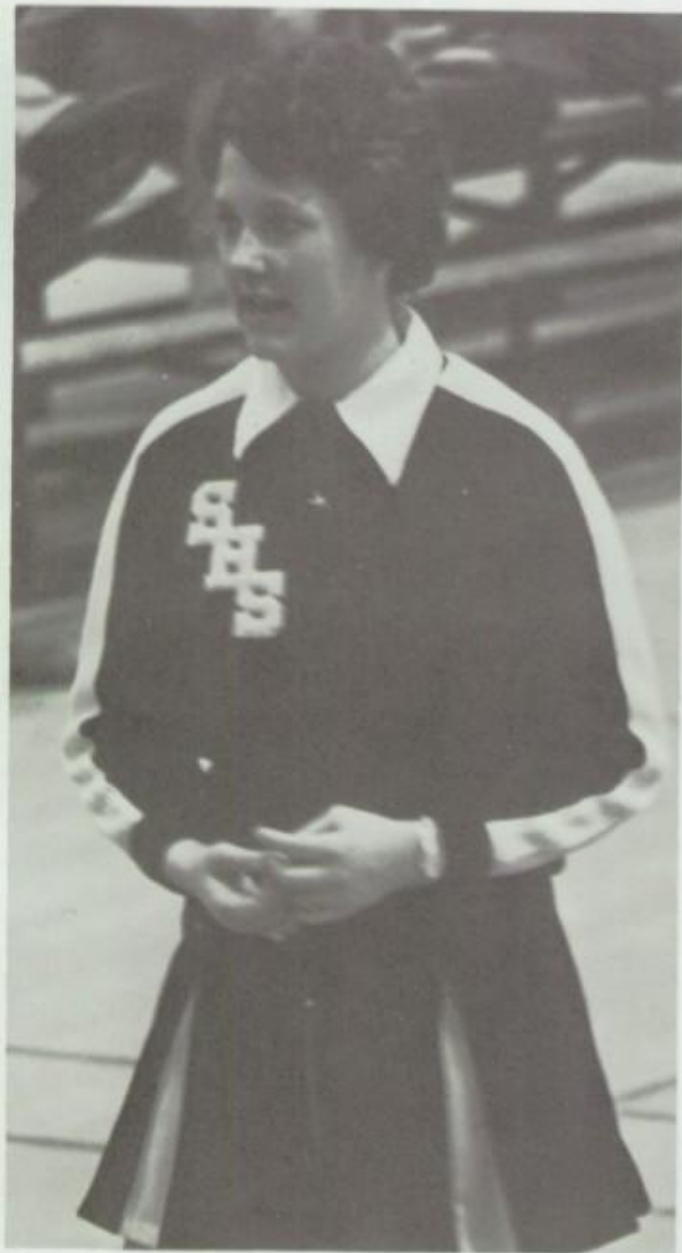

The grapplers got that trophy with teamwork, but working inside that common bond were many determined individuals. Chris Johnsdon, Jeff Vanderpool, Randy Ebersberger, Jim Hauessler, were just a few of the people that made the team go.

Spirit extended to what they did for the team; for the home games they made sandwiches for the players.

The captain this year was Joy Layer followed by seniors Vickie Looker, Sue Long and Juniors Patti Dirkse, Nancy Patterson, Debbie Newman, Bev Benson.

Mrs. Moore was the cheerleading advisor.

Experience was the key contributing factor to this year's Varsity Girls Volleyball Team. Headed by Coach Smith, and 5 returning lettermen, the Saline Varsity Spikers earned an impressive season.

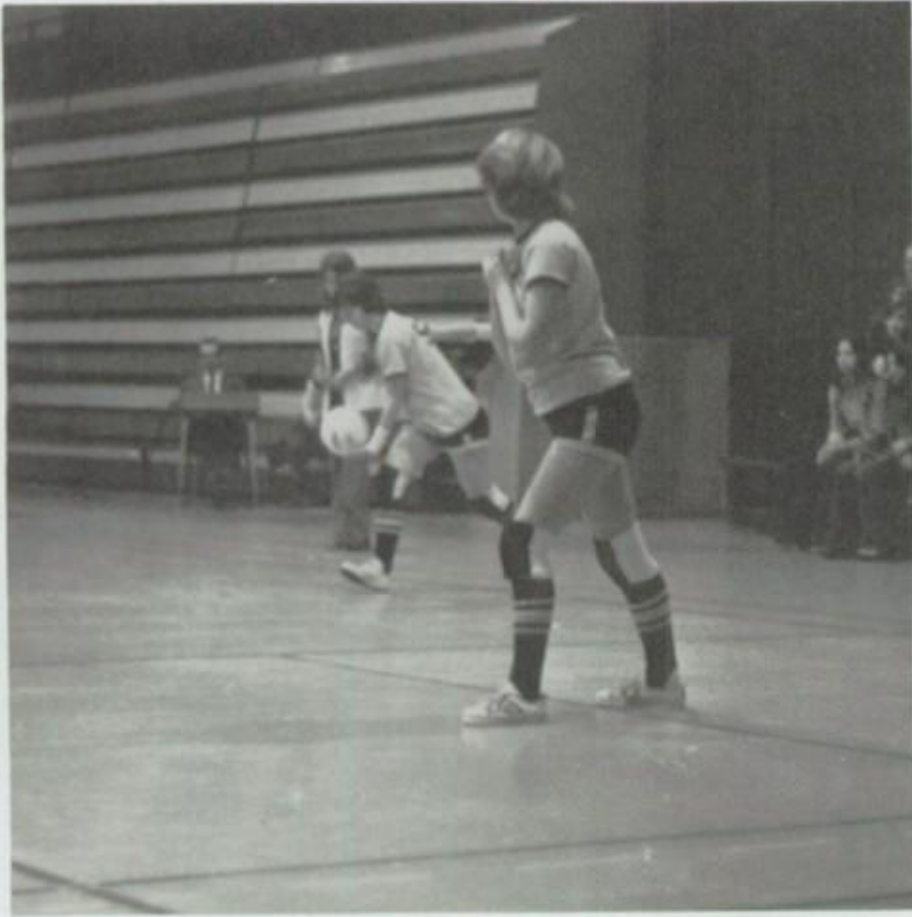

The girls began their winning record by demolishing the opposition in a match against South Lyon. Continual play as a team and strong individual efforts were then shown throughout the conference season by the Varsity girls, who were victorious in of their Southeastern Conference games and also tied Brighton for the SEC title.

Only three close and strenuous matches against Chelsea, Monroe St. Mary, and Whitmore lake kept the Varsity Spikers from a perfect record.

Individuals Influence Victories

Throughout the 1976 volleyball season, powerful individual efforts were presented by Cindy Shafer and Nancy Braun. Mary Kay Crossey was also recognized as one of the leading spikers.

As a whole, contributions from every player as individuals and as a team provided the skill, effort, support, and spirit needed for the Varsity's outstanding year.

Under the experienced and guiding hand of Coach Smith, the powerful Saline J.V. Spikers ended their 1975-76 season with gained skill and a perfect league record. Strong performances from Ann Slep-sky, Dion Lawrence, Karen Delhey, and Rosemary Smith were key factors that moved the Girls J.V. Volleyball team to an exceptional overall record.

The girls gymnastics team was a big success in their first year. The crowds at the meets started off big and stayed that way, supporting their team.

Competing in many events each girl developed her own specialties. A few of the girls who led the team were, Val Esch, Tracy Woldo, and Colleen Wagner; all Freshmen.

The coach Mrs. Witten took a young team and developed them into a refined, experienced team.

This year the Saline High School Seniors contributed much to all the teams they participated on. The seniors have always made a great contribution to many of the Saline teams in the past. 1975 was a year of many Senior contributions.

We've probably helped your parents... and your grandparents.

That's our job — helping people. If you were born and raised here in Saline, chances are pretty good that we've provided some of our help for your parents. And your grandparents as well. Now, as you graduate and start off on your own or continue your education in college, we want to carry on the tradition by helping you too. And we can do it in a surprising number of ways.

First, we provide all the usual services you expect from a full-service bank. We offer a good variety of checking and savings plans to fit every need. And we make all types of loans for all types of purposes to both individuals and businesses. We also provide safe deposit facilities, money orders, travelers checks and many other services.

Then we provide personal financial consultation for our customers.

Thousands of people have come to us over the years seeking advice for their financial problems. We've always been happy to oblige. Sometimes we can't help. Most of the time we can.

And finally we provide something that's intangible and difficult to define. It's a special attitude toward people. We are friendly, but not syrupy. We are concerned with our customers problems, but not pushy with possible solutions. We are sincere, but not solicitous. When you've been in the banking profession for over two generations, you know from experience how people want to be treated.

Once again, the 1976 yearbook staff worked long and hard to produce another successful SALINIAN for the students of Saline. Neither snow, nor holidays, nor in-service days stopped the SALINIAN staff from meeting their deadlines. And, under the experienced supervision of Advisor Mr. Marcero, the staff was able to reach their goal - to deliver an outstanding yearbook to Saline High School students and teachers. In other words, "We did it all for you!"

Members of the 1976 SALINIAN staff were: Mr. Marcero - Advisor, Judy Herter - Editor, Larry Hoffman - Photographer, Brenda Elfring, Brian Cullin, John Heller, Toby Proctor, Nancy Braun, Cheri Patterson, Sue Long, Brenda Croy, Jim Clark, Randy Dunny, Chris Johnston, Jeff Smith, and Pam Moore.

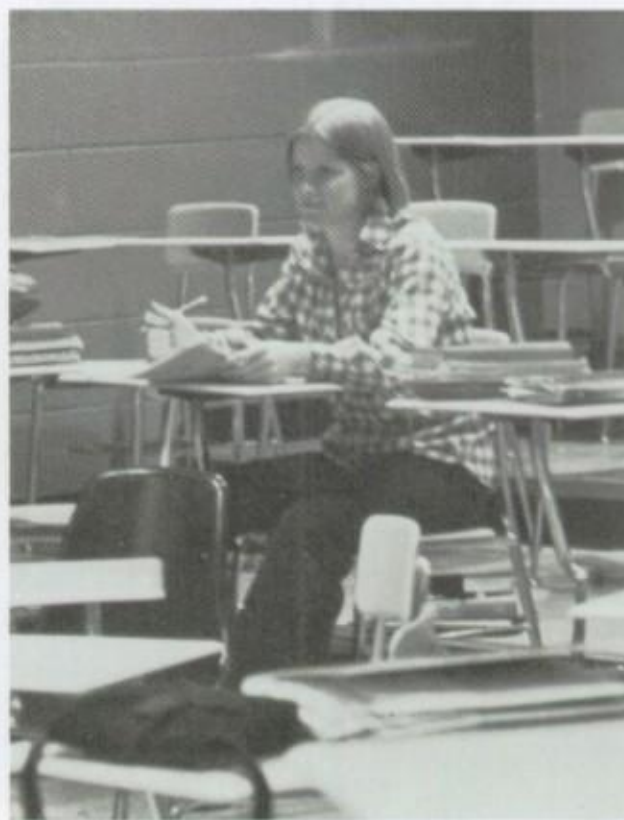

Left Pg., Top Lt.: J. Heller works on. Middle: R. Dunny invents another layout. Top Rt.: L. Hoffman adjusts the developer for another print. Middle: S. Long laughs at another Cullin classic. Bottom Lt.: P. Moore thinks it through. Bottom Rt.: D. Fosdick relaxes after giving needed extra help. Right Pg., Top Rt.: B. Croy and P. Moore work to meet the deadline. Top Rt.: N. Braun and C. Patterson draw the finals. Middle: The 1976 SALINIAN Staff. Bottom Rt.: Mr. Marcero discusses yearbook problems with staff members. Bottom Lt.: B. Elfring draws up a rough.
